VISION

Trustees will work toward achieving a vision of the First Nation as a financially secure community that uses the Trust funds wisely in accordance with its Mission.

MISSION

Alderville Community Trust's mission is to promote the long-term socio-development of the First Nation through the prudent investment of funds and the use of the interest earned to support projects that are important for the community's development. In doing so, it will act in accordance with the Trust Agreement and the Alderville Sustainable Community.
