JUNE 1-2, 2018 EAGLE BLESSING

Let us lift-up and respect the eagle feathers

On June 1-2, the work of restoring strength and pride to our community begins. All Williams Treaty Community Members are encouraged to participate as we gather our hearts and minds for this ceremony. It is our vision to build spiritual bundles for the Mississauga/Chippewa people. The eagle and the spiritual life contained within their feathers have always been a sacred part of Anishinabeg culture. Let us feast and bless these feathers and in so doing, bless our Nation.
